

## High School Youth Group

Plymouth Fellowship is our youth group for high school students; aiming to strike a balance between fun and faith. The Sunday night meetings are typically at 7:00 and alternate between game-playing and exploring our faith and how that relates to the many issues facing teens today. Our youth groups are open to all who wish to attend and honor the code of conduct. The highlight of the PF program year is the annual spring break work tour. In 2011, the group will travel to Albany, GA to work with Habitat for Humanity. Mike Tilden, Director of Youth Ministries, leads Plymouth Fellowship and JRneys, our junior high youth group. To learn more, call Mike at ext. 232 or email him at [tilden@wscongo.org](mailto:tilden@wscongo.org). Watch for program details in Gatherings and/or on Facebook.
